

# Bench

## Corner Work

The Simcraft Corner Work Bench is an L-shaped unit designed to be set into a corner. Handcrafted from reinforced 304 stainless steel, the bench features a flat work top with safety edges around all sides, and includes a rear 150mm boxed splashback. The benchtop is set on a heavy duty welded stainless steel frame with undershelf and height adjustable feet.

## Design Features

- 1.2mm 304 grade S.S. bench top
- 2mm galv substrate bench top support
- 1.2mm 304 grade S.S. undershelf
- S.S. 'C-Channel' support to shelf
- 150mm boxed splashback
- 38mm DIA 304 grade S.S. tube legs
- Standard size or custom sizes
- Height adjustable feet
