

Pan

Ambulant

The Simcraft Ambulant Toilet Pan is a fully WELS and WaterMark certified, robust, seamless and heavy-duty unit ideal for a wide range of ambulant applications. The unit has a smooth flowing, crevice-free design both internally and externally, which facilitates efficient flushing and a continually high overall level of hygiene, and features a single piece front enclosing skirt including an access panel for convenient access to the concealed outlet. Comes complete with rear inlet and 100mm P or S-trap. Optional anti-vandal seats available or pre drilled seat mounting bracket holes.

Design Features

- Robust stainless steel construction
- Smooth flowing concealed outlet design without crevices for efficient flushing
- Enclosed skirt for easy cleaning to maintain optimum hygiene levels
- 304 grade S.S. satin finish
- P or S-trap 100mm outlet
- Rear inlet
- Anti-vandal toilet seats available
