

Sink

Cleaners - Standard

The Simcraft Cleaners Sink is ideal for use by cleaners and janitors of commercial buildings for the removal of waste water from cleaning floors. The sink is crafted from 304 grade stainless steel and has a highly durable design which resists wear and tear. It comes in two standard sizes (31.2) and features a 202mm deep bowl with heavy duty hinged grate to facilitate emptying of mop buckets with a minimum of heavy lifting, as well as providing bucket storage when not in use. Supplied in wall hung configuration with optional adjustable front support legs. Rear splashback also optional.

Design Features

- Radius internal corners for easy cleaning
- 1.2mm 304 grade S.S. No. 4 satin finish
- Heavy duty S.S. hinged grate with rubber bumpers
- Supplied with wall brackets & 90mm waste
- Rear 25mm blade upstand
- Available in 2 standard sizes
- 100mm & 600mm rear upstand options
- Front support legs available
